Conference Table Connectivity Box

Features

- Multi connectivity ports
- Pneumatic Lift Pop–up Lid
- Stylish and discreet design
- Sandblasted anodized aluminium top finish
- Universal power socket is compatible with all sorts of power plugs
- Easy to install and terminate

Overview

SEADA's SC-DB Connectivity Box provides an extremely simple, but stylish round pneumatic pop−up multi−connection conference room connectivity solution.

SC-DB is an In-Desk Mount Connectivity Box which can be flush mounted into a desk or boardroom table to provide discreet, out-of-the-way storage and connectivity of a wide range of AV inputs and outputs.

The SC-DB Connective Box comes with a Universal power socket which eliminates the need for power socket adaptors no matter which country it is used at.

By pressing down gently on the lid, the unit opens and closes pneumatically. SC-DB is fast and easy to install and maintenance making it ideal for any conference room, classroom, and meeting room.
